

Car Seat Class and Clinic

PeaceHealth Southwest Medical Center
(92nd Ave entrance)

3rd Saturday of each month
Class in Health Education Center

9 to 10 am Register by 8:45 am

Car crashes are the #1 killer of kids between ages 3 & 14. When used correctly, car seats protect your child. Come learn the basics of car seat buying, installing and using.

Clinic in parking garage

10:00 am to 2:00 pm

You must attend the class first.

**Nationally, 9 out of every 10 car seats are being used improperly.
Is yours one of them?**

Bring your car seat to be inspected by nationally-certified technicians; they'll inspect it for correct size and model, recalls, and proper installation.

Peacehealth Southwest Medical Center

FREE— Register at the Health Education Center **8:45 am**

You must attend the class before coming to the car seat clinic!

****If you are in need of a seat for your child,
there will be a charge per seat.**
